PROFESSIONAL SUMMARY

Hands-on Senior Product Designer who turns ambiguous problems into simple, scalable products across ecommerce, marketplace, growth, loyalty, AI, and operations. Partners closely with product and engineering from discovery through launch.

CORE EXPERTISE

Product Strategy • Complex Workflows • Ecommerce & Marketplace • Growth & Experimentation • Loyalty & Retention • AI Product Design • Cross-functional Collaboration

PROFESSIONAL EXPERIENCE

Weee! Fremont, CA

June 2020 - June 2026

Senior Product Design Manager

- Led product design across consumer and operational experiences, from product definition through launch.
- Partnered closely with product, engineering, data, and operations from discovery through launch, balancing user needs, business priorities, and technical constraints.
- Improved acquisition and engagement through onboarding, personalization, product discovery, and conversion-focused experiments.
- Redesigned Weee!'s loyalty ecosystem around WeeeCash and WeeeRewards, making rewards easier to understand and use while improving trust and engagement
- Designed AI-powered shopping experiences that helped customers discover products, make purchase decisions, and shop with greater confidence.

Smule San Francisco, CA

Aug 2015 - Nov 2019

Product Designer

- Designed iOS, Android, and web product experiences for a global community of music creators, taking ideas from early concepts through launch.

Fixya San Mateo, CA

May 2012 - Aug 2015

UX/UI Designer

- Designed web and mobile support and knowledge-sharing experiences, simplifying how users discovered and accessed reliable solutions.
