PROFESSIONAL EXPERIENCE

WEEE! INC.

June 2020 - June 2026

Senior Product Design Manager / Chief Product Designer

- Led end-to-end product design across growth, ecommerce, marketplace, loyalty, checkout, logistics, and AI initiatives.
- Translated ambiguous business goals into clear customer journeys, product flows, and measurable experiments.
- Improved acquisition and engagement through new user onboarding, personalization, discovery, and conversion-focused experiences.
- Reimagined Weee!'s loyalty ecosystem by separating WeeeCash and WeeeRewards to improve clarity, trust, and reward engagement.
- Designed AI-powered shopping experiences to improve product discovery, decision-making, and conversion.

SMULE

Aug 2015 - Nov 2019

Product Designer

- Led product design for iOS, Android, and Web experiences serving a global creator community.

FIXYA

May 2012 - Aug 2015

UX/UI Designer

- Designed customer support and knowledge-sharing experiences across web and mobile platforms.
